Names of Cities in Florida

Come to the Indian Rocks Historical Society's
Spring Potluck Luncheon, April 5, 12 Noon

Join us for our traditional potluck luncheon, known for good fellowship and great food... and an interesting talk!

*Bob Griffin and his wife Becky,
founders and longtime editors
of Neighborhood Newsletters*

We will get a sneak peek at **Bob Griffin's** upcoming book on the origins of city names in Florida, with the talk focused mostly on Pinellas County.

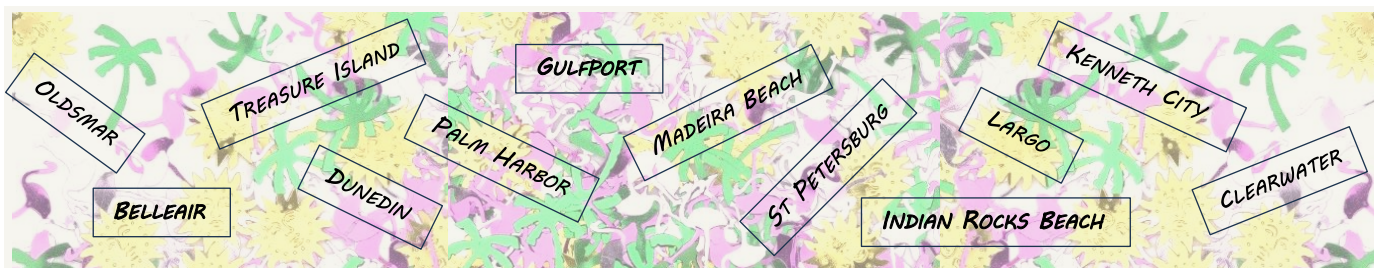

Bob, a resident of Indian Rocks Beach since 1992, is best known for the group of Neighborhood Newsletters he and his wife Becky have published since 2005. His passion for local history is evident in the many fascinating feature stories he has written. While officially retired since December 2023 (with his children taking over the Newsletters), he is still pursuing his love of writing!

Bring a dish to share and enjoy this fun event. Beverages and eating utensils are provided. All are welcome!
